

Korita Aviation

Indulge in Our On-Train Catering Experience!

Come and join us at the World Travel Catering & Onboard Services Expo, Hamburg Messe, Germany

Once again Korita Aviation is pleased to announce its participation in this year's WTCE in Hamburg following the success of the 2022 show and the immense interest we received in our range of rail equipment.

We are delighted to be displaying our railway catering equipment alongside our aviation galley insert equipment. Our innovations for both industries really make for great face-to-face meetings and future collaborations. This event creates the perfect opportunity to see our on-train catering equipment and experience product demonstrations at our booth, 1D10.

Save the Date: 6–8 June 2023

Products on Display

We will have our rail catering trolleys on display and our team will be there to walk you through the key product features and the benefits our rail catering products offer when selected for use in your railway catering operations. Our aluminium rail containers are utilised by rail operators and rail catering companies all over the world and designed for simple and easy door opening and closure.

Whatever your requirements, from standard equipment to items made to your individual specification and needs, Korita Aviation has the experience and capabilities to deliver the products you require.

We welcome the opportunity to meet you and demonstrate our railway catering equipment to all railway industry guests who will be attending the World Travel Catering & Onboard Services Expo at Hamburg Messe in Germany.

To pre-schedule a meeting with one of our sale executives please email us: sales@korita-aviation.com and we can confirm an appointment at a time to suit or alternatively you can also call us on +31 (0)45 573 22 00 and speak with one of our sales team.
