

Motivated

“Our passion is in delivering added value through logically structured texts and user-friendly documentation”.

Runa Luthardt

Technical Communicator,
Engineering Nordic, BU Västerås

Holistic thinking

“Designing a good train means that the train in operation will be comfortable, maintenance-, environment- and track-friendly!”

Philipp Huber

Senior Engineer Acoustics
Engineering Central, BU Winterthur

Committed

“Honouring our agreements and the commitments to our clients drives us in every work day. For our customers we go the extra mile!”

Daniela Raimondi

System & Validation Engineer
Engineering Central, BU Pisa
