Korita Aviation

Indulge in Our On-Train Catering Experience!

Come and join us at the World Travel Catering & Onboard Services Expo, Hamburg Messe, Germany.

This year is the 10th anniversary of the WTCE and our 10th anniversary exhibiting at the expo. Clearly this event is going to be extra special for all of us!

Save the date: 14–16 June 2022

We are delighted to be displaying our railway catering equipment alongside our aviation galley insert equipment. Our innovations for both industries really make for great face-to-face meetings and future collaborations. This event creates the perfect opportunity to see our on-train catering equipment and experience product demonstrations at our booth, 1D10.

What Can You Expect?

Your experience matters to us, so we will make time available for you to give you the opportunity to see the quality of our on-train service products. Every aspect of what we do is driven by a quality approach and we are resolute in our commitment to achieving the highest levels of customer satisfaction. We look forward to having the opportunity to discuss your requirements so that we can fully support your future need for on-train catering equipment.

Products on Display

We will have our rail catering trolleys on display and our team will be there to walk you through the key product features and the benefits that our rail catering trolley offers when selected for use in your railway catering operations.

Our aluminium rail containers are utilised by rail operators and rail catering companies all over the world. You will be able to see the nesting door in action and experience how it slides into the underside of the top of the container when opened.

When considering the needs for rail catering operations, it is important to invest in robust catering drawers. We manufacture aluminium rail catering drawers from high-grade aluminium to ensure excellent durability.

We are delighted to have this opportunity to demonstrate our railway catering equipment to all railway industry guests who will be attending the World Travel Catering & Onboard Services Expo at Hamburg Messe in Germany.

Please feel free to download the floorplan showing our booth location: [Click here](#).

To pre-schedule a meeting, please email us: sales@korita-aviation.com.

Come and indulge in our on-train catering experience and meet our team at the WTCE 2022!
